

NAMITH KAHATAPITIYA

Information Technology Undergraduate

655/3 Jayasooriya Road, Nittambuwa | Phone: +94 753659816

Email: namithkahatapitiya27@gmail.com | LinkedIn: [namith-kahatapitiya](#)

Information Technology undergraduate specializing in Information Systems Engineering, with a strong interest in cloud computing, system administration, and enterprise applications. Possess foundational knowledge in IT infrastructure, networking, and system support, with the ability to understand and adapt to different technical environments.

ACADEMIC PROJECTS

Smart University Transport and Parking Management System | 2026

- Analyzed user requirements and business processes for university transport and parking operations, including booking, parking allocation, and incident reporting workflows.
- Maintained and tracked project progress, workflows, and data analytics using industry standard tools, including Jira, Power BI, Microsoft Excel, and MS Project.
- Developed the application using the MERN stack with MongoDB for efficient data storage and system functionality, ensuring seamless integration between frontend interfaces and backend services.
- Utilized traffic accident datasets to generate predictive insights and forecasts.

Digital Fitness Management System | 2025

- Gathered and analyzed requirements for a digital platform aimed at improving gym management operations.
- Assisted in designing system workflows to enhance the experience of gym administrators and members.
- Collaborated with the development team to implement features using the MERN stack and TypeScript.
- Participated in testing and system evaluation to ensure requirements were successfully met.

Donation Management System | 2025

- Analyzed requirements for managing donations, donor records, and fund allocation in a desktop-based system.
- Developed and tested a Java Swing desktop application with MySQL integration to ensure data accuracy.

TECHNICAL SKILLS

- | | |
|---|---------|
| • JAVA | • CSS |
| • JavaScript | • MYSQL |
| • MERN Stack(MongoDB, Express.js, React, Node.js) | • AWS |
| • HTML | |

CERTIFICATIONS

Amazon Web Services(AWS): AWS Cloud Quest -[\(Link\)](#).

Udemy: Business Analytics Course

Udemy: Basics of Cloud Computing

SOFTWARE AND TOOLS

- Microsoft Office Suite
- Visual Studio Code
- IntelliJ IDEA
- MYSQL Work Bench
- Power BI
- Draw.io
- Figma
- Adobe XD

EDUCATION

BSC (HONS) In Information Technology Specializing Information Systems Engineering | 2023 - Present

Sri Lanka Institute of Information Technology | Sri Lanka

G.C.E Advanced Level Examination | 2022

Royal college, Colombo 7.

G.C.E Ordinary Level Examination | 2019

Royal college, Colombo 7.

EXTRA-CURRICULAR

Member of Rotaract Sri Lankan Institute of Information Technology

Member of Aviation Society at Royal College

Sports : Boxing, Badminton, Chess

ADDITIONAL INFORMATION

Languages: English, Sinhala.
